For members paying through direct debit, in accordance with the Direct Debit Guarantee, those members will be notified of the increase by email or by a letter from the General Secretary during September.

In closing I would like to also request that all Regional Officers and Branch Officials bring these increases and changes to the attention of all workplace representatives and members in their workplaces.

It would be extremely helpful if these changes could be shared with your branch and workplace members before the actual time of the increase.

Thank you in anticipation of your co-operation and assistance

Yours sincerely
